## Autobiography

---

My name Volodymyr. I'm 30 years old. I was born in 1988 in the village. I'm married and have two children. My height is 175 cm weight 80 kg.

I live with my family in the village. We have a field where we work together with my father. We have a small tractor. We grow different vegetables: potatoes, corn, beets and some wheat.

I studied at secondary school and in 2003 I finished secondary education.

From March 2010 till September 2012 I worked at a fruit and vegetable farm in Ukraine. My duties were cutting salad, collect the grain, corn, driving a tractor.

From

I have a driving license and can drive.

Now I'm looking for a job abroad to apply my knowledge and experience.

Regards,

Volodymyr.
