Autobiography

My name is Kisera Anna Igorevna. I'm 26 years old. I was born on March 1, 1993 in Cherkassy, Ukraine. Where do I live now. I'm not Married. I have a mother, she is a pensioner. and the older brother who already has his own family and works as a manager.

My height is 170 cm, weight 53 kg

In Cherkassy, my mother had a private house with a small garden. As a child, I really liked to plant different vegetables and flowers there. There we also planted apple and cherry. Mom told me how to look after the garden, and I felt that this is where life is born.

At school I studied well, especially biology, mathematics and languages were very easy for me.

During school years, I visited a swimming pool, then - dances, martial arts. Even now I can not imagine my life without sports and I support myself in good physical fitness, doing fitness at home, I like to run, swim, and go to the mountains.

After school, in 2008 I entered the Cherkasy State Business College, where I received a Bachelor's degree in Marketing. Then, in 2013 (Cherkasy State Art and Technical College) - the specialty "hairstylist-fashion designer". And in 2017 got the qualification "Manager of Organizations and Administration" at the Cherkasy branch of the European University.

Now, I'm pretty good at English at the Intermediate level. I have experience in communicating with foreigners, I speak well enough and understand the language. Also fluent in Ukrainian and Russian. I have a driver's license. I am interested in psychology, I love to photograph and retouch the photo. I can do photoshoot and makeup.

I am very responsible, focused, punctual, good and company.

I want to work abroad to expand my world and get new opportunities.
